The East Wing X Committee invites you and a guest to the opening of

Material Matters: The Power of the Medium

The tenth in the Courtauld Institute of Art's biennial student-run exhibitions will be a celebration of artists that use pioneering media or re-interpret traditional forms of representation. East Wing X is committed to showcasing emerging artists alongside well-known exhibitors in this anniversary collection and will include works by Gabriel Dawe, Heringa/Van Kalsbeek, Damien Hirst and Tom Hunter.
